Dear Friends,

Heartfelt thanks to our friends and supporters for a glorious, 19th Bishop George E. Councill Memorial Golf Outing, community day and pickleball clinic. We thank God for the efforts of so many. Golf Chair La'Tonya Johnson and the Golf Outing Committee can be justly pleased. We were happy to welcome Bishop Sally Johnson French for her first outing with us, and offer congratulations to the winning foursome of this year's tournament, Trinity Church Princeton. Many thanks to Glenmede, for once again being the title sponsor of our event!

Gratefully in Christ,

The Very Rev. René R. John

Creation Care Corner

By Dcn. Christopher Cox

During our Forum in September the Creation Care team promised to write a list of “not-too-difficult” actions we can take to help our Environment. Well, here are just a few things we can do!

Things we can do to make a difference:

Travel Less and Travel Smart

Is that trip really necessary?

Cars add ~500 kg of CO₂ to the atmosphere per 1000 miles¹

Use public transportation, combine trips, carpool, etc.

Eat Less Meat!

Animal Agriculture is one of the largest contributors to Greenhouse Gas emissions².

Start easy: Start by cutting out meat just one or two days a week.

Use Hot Water Sparingly

The hot water heater is the most energy intensive appliance in the home after heating & AC³

Clothes washed in cold typically get as clean as those washed in hot water

Invest in climate friendly household equipment.

Low cost: LED lights.

Medium cost: Electric appliances vs gas.

High costs: Solar panels, heat pumps, electric vehicles.

Reduce your use of plastic products

Avoid bottled water!

Less than 30% of plastic water bottles are recycled⁴. The rest go in landfills, ditches, lakes or oceans.

Support organizations working for a Greener future.

Put your money where your heart is! Donate to an Environmental cause (or two).

October 24, 2023

Dear Friends,

As we once again enter this season of Stewardship, I would like us to reflect upon being cheerful givers with faithful and grateful hearts. For we know that *“It is more blessed to give than to receive.” Acts 20:35*

Given the recent pandemic, outbreak of wars, and severe weather events occurring regularly worldwide, we are daily reminded of how all that God provides for us can be gone in an instant. As followers of our Lord Jesus Christ, we are therefore implored to *“lay up for ourselves treasures in heaven” (Matt. 6:19)*, which the giving of one’s times, talents, and treasures to His body, the church, helps to achieve.

This year’s New Consecration Sunday will take place on Sunday, November 12th, with **one service only at 10:00 am**. The theme for 2023 is *“Creation Caring Stewards, Expressing Gratitude by our Giving”* and the scripture is Psalm 43:6 - *“Put your trust in God; for I will yet give thanks to him, who is the help of my countenance, and my God.”*

New Consecration Sunday is based on the biblical philosophy of the *need of the giver to give for his or her own spiritual development*, rather than on the need of the church to receive. Instead of treating our members like those of a social club who should pay dues to Trinity Cathedral, we treat our members like followers of Jesus Christ who want to give unselfishly as an act of discipleship.

To that end, New Consecration Sunday encourages people toward proportionate and systematic giving in response to the question, *“What percentage of my income is God calling me to give?”*

During morning worship on New Consecration Sunday, we are asking our attendees and members to make their financial commitments to our Cathedral’s ministries in this community and around the world. Every attendee and member who completes an Estimate of Giving Card does so voluntarily by attending morning worship on New Consecration Sunday in person or online. *Our New Consecration Sunday presenter will be Deacon Trisha Thorme, Executive Director of Episcopal Community Services.*

Ideally we would love everyone present on New Consecration Sunday but if not possible, please reflect upon Psalm 43:6 as you prepare to fill out your 2024 pledge (pledge cards available at the Cathedral). *“Put your trust in God; for I will yet give thanks to him, who is the help of my countenance, and my God.”*

Please know your Cathedral leadership will forever seek to be good and faithful stewards of those gifts entrusted to our responsibility. The Wardens, Vestry and Dean appreciate your sacrificial giving and encourage your active participation in New Consecration Sunday and our many ministries.

Gratefully in Christ,

J. Gilbert Williams

Thanksgiving Foods Needed for Trinity Food Pantry

It's That Time of Year Again! The Trinity Cathedral Food Pantry will be having its annual Turkey Day on Tuesday, November 14th, with the bags of sides and fixin's distributed on Saturday, November 18th.

While we do receive a limited amount of turkeys from the Food Bank, the demand outweighs the amount each year. We are hoping for 25 more medium (6-8 pound) turkeys; if you would like to donate a turkey to the Pantry to pass on to our neighbors, please do so by Sunday, November 12th. You can contact Patrice in the Cathedral office at (609) 392-3805 ext. 100 to arrange drop-off.

If you would like to contribute non-perishable side dishes (stuffing, boxed potatoes, gravy, canned vegetables, etc.) they can be brought to the Cathedral anytime on weekdays through November 12th (or bring to Sunday Mass.) Financial contributions are always welcome.

Thank you for your support,

The Trinity Cathedral Food Pantry

Wreath Sale Returns!

We are happy to continue our wreath sale for Christmas, 2023 - we love to share some uplifting, holiday cheer while raising much-needed funds for the Cathedral! We continue to have an enthusiastic response to our pre-ordering and pick-up system, and we hope to meet or exceed our results this year! **The price of the wreaths will remain the same this year, just \$28 each, and will be for sale on Sunday morning, December 3rd, after both Sunday services.**

As in previous years, we have some fun Christmas items to feature in our "Santa's Workshop" at the wreath sale. And since it's the first Sunday of Advent, the Altar Guild Shop will be open as well! Why not bring along a friend when you come to pick up your wreath . . . or just come to check out the Christmas items. You might find just the right gift!

We are requesting that you let us know ahead of time if you are interested in purchasing a wreath (by Thanksgiving, please!) We are also looking for folks to join "Santa's Elves" in decorating the wreaths in Synod Hall on Friday, December 1st - can you help? If you can, or you would just like to place an order, call or E-mail Patrice D'Angelo in the Cathedral office at PatriceAtTrinity@aol.com or (609) 382-3805 ext. 100, or Georgia Koenig at gbkoenig@verizon.net or (609) 273-3351!

On October 13th, Trinity Cathedral was the grateful recipient of 200 winter coats, to be distributed to our neighbors through our Food Pantry, TASK meal nights, and outreach events. This is the second batch of coats delivered to Trenton organizations by discount closeout retailer Ocean State Job Lot, this time through the Trenton Fire House on Perry Street, with the assistance of the American Legion Post #272. In February of this year, hundreds of winter coats and cases of masks and

hand sanitizer were delivered to the Cathedral, which were then given to partner agencies and churches for distribution. Many thanks to Ocean State Job Lot, and the American Legion for their generosity and good work! (At left: Canon Clara Gregory, Cathedral Outreach Chair, and our Sexton, Al Shaw picking up the coats.)

Highlights of the October 16, 2023 Vestry Meeting of Trinity Cathedral

Thirteen of the 14 members of the Vestry (or Minor Chapter) of Trinity Cathedral, met via Zoom on Monday evening, October 16, at 6:30 pm. They are The Very Rev. Dean René John, Senior Warden Denise Higgins, Junior Warden J. Gilbert Williams, Treasurer Ron Zilinski, Clerk Chinweze Ahaghotu, Assistant Clerk Cn. Paul Cooper, Lourdez Hernandez, Nancy Hood-Boczar, Margaret Nartey, Bobbie Powell, Samuel Richards, Ellen Wanser, and Lee Whiteman. Robert Bullington attended as a Guest. The Dean called the meeting to order at 6:33 pm and offered the opening prayer. The main agenda items were addressed as follows:

Audio/Video Livestreaming Proposal. Guest Robert Bullington, principal of Front Row Seat Productions LLC, presented a proposal for procurement and installation of a three-camera video system – including a motorized pan/tilt/zoom (PTZ) camera with 40x zoom capability mounted at center-rear of main aisle, fixed-angle camera with 20x zoom capability mounted at center-rear of main aisle, and PTZ camera with 20x zoom capability mounted on forward chancel wall – that incorporates a customized audio feed from the sanctuary audio system that has portable, intuitive controls to allow non-technical users to change camera views and operate the livestream. This system has the flexibility to transition to views of the congregation, choir, readers, homilists, altar, etc. and is used by other churches in the diocese as well as in the NJ State Legislature chamber. The proposal includes a dedicated computer, tablet, and applicable software; and Robert would be assisted by Peter Cornell for the installation, documentation, and training. Robert answered many questions from the Vestry, mainly from Lee Whiteman, the main operator of our current livestream system. All being satisfied with the proposal, the Vestry voted unanimously to accept it and to authorize the expenditure of the proposed price of \$14,141.99. The Dean will follow up with the Vestry regarding questions on warranties and service agreements for the proposal, and how long the installation would take.

Financial Summary. Treasurer Ron Zilinski presented a financial summary of the Cathedral's operations: our budgeted operating income and expenses for the year each totaling \$793k. To date, the income from pledges and trusts is still greater than expected; and all except the latest monthly payment of Diocesan support has been received. Expenses are about as planned except for \$18k more property costs than planned, which Ron will try to get covered by bequeathed funds. Yet, the resulting actual deficit of \$107k in our operations as of the end of September is only \$13k more than the \$94k deficit originally expected at this time of the year. In addition, the balance of restricted gifts to the Cathedral total \$135k at the end of September. The Finance Committee will discuss the restricted gifts and make a recommendation to the Vestry.

Investments. Paul Cooper presented a summary of the Cathedral's investments, which currently amount to \$2.27 million, 35% of which is in four funds of the *Diocesan Investment Trust* (DIT); 24% is mostly a recent bequest residing in a brokerage account; and the remaining 41% is in the *Dean Adams Trust* (DAT), which is managed by three trustees according to the will of Dean Adams. The *Endowment Board* manages those three of the four DIT funds that are endowment funds – as well as those portions of bequests to the Cathedral that may be designated by the donors or by the Vestry as endowments. This year's total yield of the DIT funds as of the end of September is 5.9% - down from 10.1% at the end of August due to a drop in the stock market. Short term instruments in the brokerage account are earning 5%; from which \$50k was withdrawn to provide needed cash in July. The Dean Adams Trust is down due to the market drop and its annual distribution of 6.5% to the Cathedral operating fund.

Property & Maintenance (P&M). Gil Williams presented a request from Irene Sanz of the Gardening and Grounds Committee for coverage of *General Tree Work*, specifically *general safety hazard pruning* around the cathedral property, including the food pantry walk, walkways, parking areas, bus stop, tree at the front corner of the cathedral building, trees in the playground and between parking and street – as well as removal of the resulting brush and debris. The total bill for this work is \$2,500. The Dean believes it to be a practical expense that can be covered by a portion of the \$50k taken from the bequest monies in the brokerage account. The Vestry then approved this action.

Food Pantry. Lourdez Hernandez reported that the food pantry served 220 adults and 108 children in July, and 213 families (321 adults and 124 children) in August, and 210 families (298 adults and 125 children) in September. Volunteers, using donated reusable bags, bag the food at 5 pm on the Thursdays preceding the 2nd and 3rd Saturdays of the month when it is distributed. They will distribute 100 Thanksgiving turkeys on Wednesday, November 15, from 10 am to 1 pm; as well as 10 large hams. Lourdez expects that 125 turkeys are needed to provide for all families, so the Food Pantry is **requesting donations of at least 25 medium (6 – 8lb) turkeys from the congregation.**

Fund Raising. Dennie reported that the golf outing and other activities of *Community Day* on October 8 were successful, and Ron estimated the gross receipts at \$40k with expenses of \$10k, the net amount for the Cathedral being about \$30k. *Pickle Ball* took place for the first time, was enjoyable, and should attract more players next year. Dennie added that an *Alice-in-Wonderland Tea Party* is planned for next year. Bobbie Powell reported that the *CAST* concert on October 1 by Richard Alston was enjoyable but only broke even due to limited attendance. She said no further *CAST* concerts are planned for the remainder of this year. Samuel Richards confirmed that the *African Festival* will not take place this year, and the African Festival Committee is discussing resuming the festival next year.

Social Justice/Episcopal Community Services (ECS). Dennie reported that the Cathedral will host a *Conference on Women's Health* in Synod Hall on November 4. This includes maternal health checks and relevant materials. Dennie added that she attended an ECS meeting at which Ray Lesniak spoke about the need for treatment in cases of incarceration. She said the Bishop made the point that we have the space for such activities. The Dean said more can be learned in this regard by reading *Good News in the Garden State* published by the Diocese.

Dean's Report. The Dean shared the following:

Garden Tour. He appreciates the participation by the Vestry in the Cathedral Landscaping and Grounds Tour on Sunday October 8 after Mass. As to the next phase of the gardening program, he said we need to make sure that all the costs are covered ahead of time.

Emergency Action Plan. He is grateful for the work of the *Emergency Action Committee*, which deals with safety in medical, fire, weather, and unwanted intruder emergencies. Bobbie said the Committee, including herself, Margaret Nartey, Fay Manicke, and Mary Johnson, met and produced a preliminary *Emergency Action Plan* document which was sent to Dan Anderson for review. The Committee will meet again to review Dan's feedback and revise the final document, which will be shared with the Vestry and then with the congregation.

Appreciation Month. On Sundays in October, appreciation was expressed for the Choir, Clergy, Cathedral volunteers, including Fellowship Hour volunteers who served lunch on each of these Sundays.

Staff Update. Sexton P. J. Pettyjohn expects to retire at the end of this year. This will require planning on how to replace him.

Creation Care Commission. Deacon Chris Cox's *Creation Care Ministry* has identified actions for sustainable care in several areas that warrant attention and appropriate action by all. They will make a recommendation to the Vestry in the coming months.

Fellowship Hour. Refreshment will be minimal over the upcoming colder months to minimize risks of COVID-19 transmission.

Healthy Eating Recipe Cookbook. Lucy Adams and Clara Gregory are leading efforts to create a cookbook for the congregation.

Treasurer Assistance. Cynthia Coleman is helping Ron with the affidavits needed to recover the remaining monies from stolen checks earlier in the year, as well as other general financial support.

Old/New Business. The Dean asked that prayers be offered for Deacon Carol, who has health issues.

Next Meeting. The next meeting will be that of the Major Chapter on Tuesday, November 14, 2023, at 6:30 pm via Zoom.

Adjournment and Closing Prayer. The meeting adjourned at 8:15 pm, with Gil Williams offering the closing prayer.

Respectfully submitted by Chinweze Ahaghotu and Paul Cooper

19TH Bishop George E. Councill Memorial GOLF OUTING With Pickleball Clinic

A sun-filled breezy day provided the perfect backdrop as **68 golfers and 13 pickle ballers** gathered for the 19th Annual George E. Councill Memorial Golf Outing and Pickleball Clinic **held Monday, October 9th** at the Mercer Oaks Golf Course and the Mercer County Tennis Center. **Bishop French** and **Dean John** led the group in worship before sending them out for what proved to be a day of community building and fun.

At the Tennis Center, a group of novice players assembled to learn the game from **USA Pickleball Ambassador and Instructor Karin Rentschler**. And while they may have been new to the game of Pickleball, this competitive group's enthusiasm and zeal ensures the sport will be included next year!

It wasn't all laughs though. The **battle for the Bishop's Cup** was an epic one, with **first time winner, Trinity Church, Princeton**, crowned the champs following a stunning match that saw each player scoring under par! **St. George's, Rumson** and **our own Jocelyn Francis-White's Big Easy Restaurant of Trenton** secured the **second and third place spots, respectively**.

Twenty diners joined the golfers and pickleball players at the **evening's awards dinner that included a raffle, wine pull and silent auction**. In a generous display of support, rather than disappoint bidders, Bishop French offered to host an additional "**Meal with the Bishop**" (one of the silent auction prizes), doubling the opportunity for bidders. It was of course, quickly swooped up!

There were many **contributors** to this outing both **in the form of sponsorships, foursome and attendee ticket purchasers, advertisers**, and of course, those who made **in-kind contributions that supported** the silent auction, raffle and wine pull. For a complete list, check out the event journal on the golf page of the Cathedral website. We cannot thank you enough for your support.

The committee offers a special 'thank you' to lead sponsor, **Glenmede**. Glenmede's leadership contribution ensures that the event has a net profit, money that is used to fund Cathedral ministries.

We were humbled by the great support, led by **Bishop French, from the churches and congregants across the Diocese**. It is our unique honor to serve as their second church and we hope that they enjoyed our version of extended coffee hour with Trinity Cathedral!

We are tremendously grateful to the many volunteers who supported the event's planning and execution. A successful outing doesn't happen without the commitment of the members of the golf committee: **Willie Coleman, Thomas DiMuzio, Alan Erickson, Van Gibson, Bill Harmer, Dick Koenig, David Miller and Susan Perfater Zitofsky**; day-of volunteers: **Winnie Daniels, Ginny Harmer, Georgia Koenig, Ivo Philbert, Barbara Sawyer, Tony Smith and Ron Zilinski**; the incredibly skilled **Patrice D'Angelo**, and the dedicated, servanthood leadership of **Dean Rene**.

We will provide a more detailed accounting within the annual meeting reports but know that the wheels are already turning as we think ahead to **Monday, October 14, 2024**, when we'll host our 20th annual event. Mark your calendars now as we hope to see you there!

At Trinity Cathedral, we have a long and storied history of many persons serving voluntarily with distinction. We are grateful to our musicians and our Priests and Deacons who serve faithfully above and beyond, largely without remuneration. But so do the Wardens, Vestry and various leaders of our Cathedral ministries! In October, we celebrated “Volunteer Appreciation Month”, acknowledging the Choir, the Clergy, and all volunteers at Mass & fellowship. Thank you for all you do! *(Photos courtesy of Lucy Adams.)*
